

Horse Wishes Daycamp 2012 at Red Ridge Ranch

A fun way to learn about horse care and ownership

This is a week long camp held Monday through Friday 9 am - 5 pm. Students must be at least 8 years old to attend. Throughout the week they will have a horse to care for; brush, saddle, feed, and clean up after. Each day will include a lesson and a trail ride. We also have daily demonstrations and hands-on projects about horse ownership. The week ends with a show for friends and family where the students demonstrate their newly acquired skills. Our camp is designed to give hands on experience in a safe environment with horses. The cost is \$275 per student (\$300 after April 1).

If you have any questions feel free to contact Cindy at (608)-847-2273, or 1- 888-847-2272 email at redridge@redridgeranch.com
